and when told this, the most eminent specialists of New York, under whose treatment she was placed, declared her case was hopeless. All treatment having failed, she was given up to die. S. S. S. was recommended, and astonishing as it may seem, a few bottles cured her sound and well.

C. C. Talarro, of Roanoke, was in town last evening.

H. H. Roberts, who has been quite sick, is improving.

Miss Annie Gray, of Roanoke, spent Friday evening in Salem.

Rev. R. W. Patton, of the "Magic City," was in Salem yesterday.

J. W. Hannah has returned from a business trip to Baltimore and Philadelphia.

J. W. F. Allemoning left yesterday for Martinsville on business which will prolong his absence several days.

It has been suggested that the present town hall be turned into a council room or used for fire department purposes.

Misses May and Pearl, daughters of J. M. Smith, after spending the summer in Smythe county, returned home yesterday.

Tuesday circuit court convenes, and while there is not a large docket, yet quite a number of cases, both law and chancery, will be disposed of.

Quite a number of persons from Salem will attend the Wheat concert in Roanoke on October 2 next, which will be for the benefit of Christ Church at that place.

The regular monthly consecration meeting of the Christian Endeavor Society, of the Presbyterian Church, will be held in the chapel at 3:30 o'clock this evening.

Thermometer registered 42° at Roanoke Red yesterday. Only about twenty-five visitors remain, who will within the next ten days be the last to leave that pleasant summer resort.

G. J. Ligon is raising a frame building on Main street that for nearly half a century has been resting on the bosom of mother earth, imbedding its body to the depth of several feet, and necessitating a new foundation and other repairs.

The following are the appointments made by the Salem Layman's Union for religious exercises for Sunday, September 29, 1895: Washington Heights, 7:30 p. m.; Bend Chapel, 11 a. m.; Hanging Rock school house, 4 p. m.; Mason's Cove, 11 a. m.; Oak Grove, 11 a. m. All are cordially invited to attend these exercises.

The following is taken from the Democrat a little paper published at Woodstock, Va.: "By a careful calculation we find that enough apple butter has been made in Shenandoah county to spread a half inch thick over a slice of bread eighteen miles long and eleven and a quarter wide, or enough to plaster every dwelling in the county." Shenandoah is evidently the banner county of the State so far as apple butter is concerned.

R. S. Campbell, cashier of the Salem Loan and Trust Company, went to Fort Lewis Friday night to hear an address on temperance delivered by Rev. Dr. Taylor, and while the meeting was in progress his horse and buggy were

driven off by some unauthorized party so noiselessly that it was unknown to those in the church until after the meeting closed, when a search was made for the missing property, but without discovering its whereabouts. Yesterday morning, however, the horse and buggy were found in a ravine near the church, the buggy upside down and a little disfigured, the horse grazing near by in the woods divested of his harness.

The concert given by Leo Wheat Friday evening was a musical treat. The house was fairly well filled. Mr. Wheat well sustained his reputation as a fine pianist. His selections were all classical and brilliant—his own compositions were truly beautiful and thoroughly enjoyed by all. Lanier Gray sang a solo in his usual pleasing style. The recitation by Miss Sullivan, "How Grandma Danced the Minuet," was good, and received hearty applause. The soprano solo by Miss Minnick was beautifully rendered. She responded to an encore with a selection equally as pretty as the first. The violin solo by Valley Davis was of a very high order, and was long and loudly applauded. And last, but not least, was "The Original Arkansas Traveler," by Mr. Wheat, which brought down the house, and closed the concert.

At a meeting of the bar of Roanoke county held in the office of Col. R. H. Logan, on the 28th day of September, 1895, the following resolutions were offered by Colonel Logan and adopted:

"Whereas, we have heard with deep regret and sincere sorrow the death of our brother at this bar, Col. John E. Penn; Therefore be it

"Resolved, That during the term of the circuit court now approaching, we will hold a formal meeting of the bar at which time suitable resolutions expressing our appreciation of Colonel Penn as a man and lawyer will be presented.

"Resolved, That this bar as a body will attend the funeral of Colonel Penn on to-morrow." HENRY B. BLAIR, Chairman.

W. W. MOFFETT, Secretary.

THERE is more Catarrh in this section of the country than all other diseases put together, and until the last few years, was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure in the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

LAST August, while working in the harvest field, I became overheated, was suddenly attacked with cramps and was nearly dead. Mr. Cummings, the druggist, gave me a dose of Chamberlain's Colic, Cholera and Diarrhea Remedy which completely relieved me. I now keep a bottle of the remedy handy. A. M. BUNNELL, Centerville, Wash. For sale by the Chas. Lyle Drug Co.

Are you taking SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" That is what our readers want, and nothing but that. It is the same old friend to which the old folks pinned their faith and were never disappointed. But another good recommendation for it is, that it is BETTER THAN PILLS, never gripes, never weakens, but works in such an easy and natural way, just like nature itself, that relief comes quick and sure, and one feels new all over. It never fails. Everybody needs take a liver remedy, and everyone should take only Simmons Liver Regulator.

Be sure you get it. The Red Z is on the wrapper. J. H. Zeilin & Co., Philadelphia.

Mrs. E. E. DAVIS, of San Miguel, Cal., says: "I am trying in a measure to repay the manufacturers of Chamberlain's Cough Remedy for the great good their remedy has done me. For years I was a constant sufferer from weak lungs and bronchial asthma. My rest at night was disturbed by a hacking cough, so that I felt miserable the greater part of the time. Many remedies recommended by friends were tried, none of which proved suitable to my case. I did not experience any beneficial results until I began taking Chamberlain's Cough Remedy. After two bottles of the large size have been used I am pleased to state my health is better than it has been for years. The soreness has left my lungs and chest, and I can breathe easily. It has done me so much good that I want all who are suffering with lung troubles, as I was, to give it a trial." For sale by the Chas. Lyle Drug Company.
